

How to make a simple morsbag – in pictures

1. If you are making more than one using templates made from old cardboard will help.

2. Place your bag and handle template on a fold if you have a large piece of fabric (cut two if you don't) and cut.

3. Press a double hem at the top of each side.

4. Place handles under double hem and check they match.

5. Sew across the fold anchoring the handles as you sew
6. Fold the handles up the seam close to the fabric fold sewing the handles at the same time.

7. Place and pin the Morsbag label

8. Sew around the label

9. Place wrong sides of the fabric together and sew a narrow seam

10. Turn bag wrong side out and sew a second side seam. It will encase the first.

11. Turn bag right sides out. Stand back and admire your work.
